

What are human rights?

Human rights are for everyone, young and old, no matter where you come from or live, what you like or believe. Human rights are about dignity, equality and respect for everyone. Human rights cannot be taken away from you!

You have the right to EDUCATION!

- to learn in a place that's free from violence
- to be treated in a way that's fair
- to be encouraged to attend school regularly
- to get extra help if you need it to do your best

And...richer countries are supposed to help poorer countries give kids an education!

What can you do to make sure your rights are recognised and protected?

- Know and learn about your rights and talk to friends, family and others
- Get involved in decisions that affect you and speak up about your rights
- Think about who might be able to help you or help others to think more about rights, you could even brainstorm with friends about how to promote human rights!
