

As your Commissioner my job is to promote the rights of all children and young people in South Australia.

Throughout this year the Government will look at the Child Protection System.

It is very important that you have an opportunity to say what you think about the system.

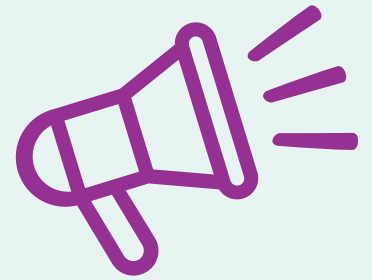

This postcard is one way you can have a say. It is anonymous.

I will write a report with the postcards I receive and present it to Government and others involved in improving care.

Thank you,

Helen Connolly (The Commissioner)

Have your say!

What do you care about and what do you want to change?

Please flip the postcard over and answer a few questions.
If you need to write more email commissionercyp@sa.gov.au
